

R. Petersburg 6/5 913

My dear Kathleen;

would you ask Mrs. Parlow
to order 1 1/2 dozen of my Photo-
graphs at Histed, Baker Street
42. I include the kind I
wish; as is the profit; she will
be so kind to pay the bill
and bring the 18 pieces ^{and the bill} with her
to Laschowitz. — You are
in possession of my last letter
so I send you and Mother hearty
Greetings. —

L. Auer

P.S. In case Histed could not get
ready the whole number before your
departure, he may send afterwards
some of them to Laschowitz, Malersk. 10
